Occupy This Space poster guidelines

To encourage the respectful use of this poster and greatest reach possible, we offer the following guidelines:

- **Make sure it's local and independent.** This poster is meant to be posted in locally owned, independently operated places of business. If you're not sure, ask!
- **Get buy in.** Speak with a manager or owner of the business to get permission to post the poster.
- **Print original file in color.** Clean and neat posters will help ensure that businesses keep the posters up as long as possible.
- **Bring more people.** Encourage friends, family and colleagues to help distribute this poster at local independent businesses.
- **Share with other communities.** Re-post the original file on Facebook, Occupy websites, and share with community organizations.
- **invite the conversation.** The Occupy Movement is a shared commons. Listen to and share stories.

**Build community.
Build the new economy.
Build real prosperity.**
